Dear Mr. Berntson:

On behalf of the Office of Legal Education, I would like to thank you for participating as an instructor at the Advanced Money Laundering Seminar, September 7-9, 2011, in Columbia, South Carolina. Your participation helped make the seminar a success. We greatly appreciate the time and energy you devoted to preparing your remarks.

The evaluations submitted by the attendees contained many positive comments about the content and format of the course and your presentation. We are pleased that so many of the participants found the program to be valuable and are tremendously grateful for your contribution.

If you have any ideas or suggestions on improving the content of the course, please let me know. Without your participation and commitment we would not be able to offer important seminars such as this one.

Sincerely,

Karen M. Wilson
